

# **BILL BENNETT - OUR CHOICE FOR THE EAST KOOTENAY. HE'S ONE OF US.**

When you choose an MLA on May 12th, you want someone who understands you and your lifestyle. You want someone who pays taxes and is concerned about how that money is being spent. Someone who values a strong economy because he recognizes that all of our jobs depend upon it. Someone who cares about outdoor recreation because he's passionate about hunting and fishing. Someone who realizes that the East Kootenay is the best place to raise a family because this is where he raised his own two boys. You want someone who is thankful that he gets to call this place home. **And that someone is Bill Bennett.**
