④ - CNR
 Kenneth George Cuthbertson
 [REDACTED]

States as follows:

At approximately 2:00 p.m. this date the CNR welder Sam I don't recall his last name came up into the engine at the foot of Sydney Street and requested us the train crew to call the RCMP that there was a fellow being beat up on the beach I called on the phone to the CNR police to call the City Police that a fracas was going on.

Thats all I can tell you, it sounded like Sam said this fellow is getting a beaten.

Question: Did you see this fellow with Sam?

Answer: No

Question: Can you add anything else.

Answer: About 5 minutes later after I called I saw (4 or 5 I'm not sure) fellows they came up from the direction of the beach and they got into a brown-colored-cadillac, when they drove away they went up Sydney Street.

Question: Can you describe any of these fellows?

Answer: No
