

and had the brakeman call the police. This man followed Sam upon the train and then left, going down over the banking toward the water.

(A short while later I saw a group of men maybe about 5 coming up over the banking from the water and crossed the tracks and got in Brown Cadillac and drove away. One of these persons was a negro, he had no shirt on either.

I think I would be able to identify the party who came to the welding machine and tried to deputize us.

The others I wouldn't be able to identify them.

Question: Is everything you told me the truth?  
Answer: Yes

Question: Is there anything else you wish to add to this statement?

Answer: Yes, the person who came to us at the welding machine had dark hair and this would be around 7:00 PM August 12, 1975.

Witness Joseph D. Bold Inspector.
