These are the people you see on T. V. and read about in your newspaper urging you and me, the American people, to comply with the Civil Right Bill, because they say now it is the law of the land. The same land my brothers and your brothers and fathers, sons, fought and died for. The same people they fought are now slowly but surely telling us what the law is. The reason we have these Judas's and communist garbage in our public offices is because we have too many so called American Citizens that sit on their big fat lazy bottoms watching a western on T. V., sucking a beer bottle and getting fat like a big hog, and when the news comes on they change channels to get another western or gangster. **People Should Fight Communist Menace. . .**

**Obey God's Law First and Foremost**

In June, 1964, the so called C. R. Bill was signed into law. Just who is and what is law, people of America if you will only pick up your Bible and read, you will see and find out for yourself the beginning of law, the law of God comes first and above all.

You don't have to listen to your Governor, congressman, senator or a mayor who can turn out to be another Judas or some other snake in the grass, who have been elected by hook and by crook into public office to be called our "LAW."

Most of your public officials are born thieves to start with and have been in politics since school days, and before them their father, grandfather and great grandfather, and now below all crooks, thieves, mudrerrers, blackmailers, whoremongers, and winegees, we have added to our U. S. Government, members of the communist party.

These are the people you see on T. V. and read about in your newspaper urging you and me, the American people, to comply with the Civil Right Bill, because they say now it is the law of the land.

The same land my brothers and your brothers and fathers, sons, fought and died for. The same people they fought are now slowly but surely telling us what the law is.

The reason we have these Judas's and communist garbage in our public offices is because we have too many so called American Citizens that sit on their big fat lazy bottoms watching a western on T. V., sucking a beer bottle and getting fat like a big hog, and when the news comes on they change channels to get another western or gangster. Most of these so called American people don't even register and vote, when asked to go vote. These people will

say, "There is no use in me voting. They are going to elect who they want anyway. That is where they are wrong. A vote now is worth your weight in gold.

"The so called Civil Rights Bill is nothing less than a giant step to communist dictatorship of America.

Our high public officials such as the President of the United States and the U. S. Attorney General tell us we must and will comply with this bill because it is law.

Why should the people of this country comply with this bill, when the President of the U. S. can go against the constitution and laws of the U. S. that our forefathers wrote, by sending troops to Arkansas and Miss., armed with bayonets to force two coons into our schools.

With the help of God, we the people, can win this battle by praying, fighting and resisting this bill to the fullest extent of Human ability and at election time by sticking together and voting an unpledged ticket, and kicking all the rotten communist garbage out of our public office.

The so called Civil Rights Bill is supposed to help the nigger both North and South. It is supposed to help the nigger get equal schools, when in most places in the south they have better schools. It is supposed to give the nigger equal voting rights, when in the South, if a nigger is qualified to vote, he can, if not he is turned away, the same applies to white people.

But the above things are not what they want, they want to eat in the white cafe, sleep in the white hotel or motel, swim in the white pool, go to the white church, go to the white school. In short, they want to marry your white daughter, or live with her, the only thing they know.

They don't want equal rights, they want 100% intergration.

Again, pick up your Bible and see what God has to say about intergration.

Duet. 7:1-3

1. When the Lord thy God shall bring thee into the land whither thou goes to possess it, and hath cast out many NATIONS before thee, the Hittites, and the Girgashites, and the Perissites, and the Hivites, and the Jebusites, seven nations greater and mightier than thou;

2. And when the Lord thy God shall deliver them before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor show mercy unto them;

3. Neither shalt thou make MARRIAGE with them; thy daughters thou shalt NOT give unto his son, nor his daughter shalt thou take unto thy son.

Genesis 11:8

8. So the Lord scattered them abroad from thence upon the face of all the earth:

Acts 17:26

26 And hath made of one blood all nations of men for to dwell on all the face of the earth: and hath DETERMINED THE TIMES BEFORE APPOINTED, AND THE BOUNDS OF THEIR HABITATION.

Nehemiah 13:23-26

23. In those days also saw I Jews that had married wives of Asidod, or Ammon, and of Moab:

24. And their children spake HALF in the speech of Ashdod, and could not speak in the Jews' language (Half-breeds) but according to the language of each people.

25. And I contended with them, and cursed them, and smote certain of them, and plucked off their hair, and make them swear by God, saying, Ye shall NOT GIVE YOUR DAUGHTERS UN-

TO THEIR SONS, NOT TO THEIR DAUGHTERS UNTO YOUR SONS, OR FOR YOURSELVES.

26. Did not Solomon king of Israel sin by these things?"

Ezra 9-12

1. Now when these things done, the princes came to saying, The people of Israel, the priests, and the Levites, have not SEPARATED themselves from the people of the lands, doing according to their abominations: even of the Canaanites, the Hittites, the Ammonites, the Moabites, the Egyptians, and the Amorites.

2. For they have TAKEN THEIR DAUGHTERS for themselves, and for their sons; so is the holy SEED (children) mingled themselves with the people of those lands: yea, hand of the PRINCES and RULERS hath been chief in this thing. (sin)

I can not to save my soul, how any man can idly stand or support a law that is lead up to and against the Holy will of God.

The time has come for the christian people of this nation stand up and fight for what is right in the eyes of God and not what a few men in congress or the senate decided on under pressure from the niggers communists.

The law of God is the law of the land and the law of the people of this land.

The time is here and past fast for the people of this nation to fight and die for what is right, if you choose to die and die under communism dictatorship, may God have mercy your souls.
