**NOTES:**

Visits low for agriculture because OHSa did not apply to that sector until 2006

Nearly 9% of visits excluded from above chart due to missing Industry Code data

Orange: Industry Sectors which are primarily Non-Traditional (Healthcare, Education, Offices, etc.)

Yellow: Industry Sectors which are primarily Traditional (Construction, Manufacturing, Mining, etc.)

"Other Services" Sector is divided between Traditional and Non-Traditional

2004 figures show that Ontario is starting to dedicate some Inspection resources to Healthcare

Years are 01-Jan to 31-Dec for consistency with StatCan Workforce figures
