

Hi,

On your request below, we can confirm that a Canadian citizen was arrested and detained by US Forces in Afghanistan. The individual was detained at the Bagram Theatre Internment Facility (BTIF).

Canadian officials were in regular contact with US authorities to ensure that the individual received consular assistance.

Consular officials from the Canadian Embassy in Kabul conducted regular visits and provided consular assistance as required.

Canadian officials assisted in the individuals' safe return to Canada.

An interview on this subject with a DFAIT representative will not be possible.

Thank you for your patience and have a good day,
