

Shawn Brant: Hello

Julian Fantino: Shawn

Shawn Brant: Yeah

Julian Fantino: Commissioner Fantino calling

Shawn Brant: Hey

Julian Fantino: How are you

Shawn Brant: Good

Julian Fantino: You missed the deadline I thought you were gonna call me back at three fifteen

Shawn Brant: Hey I've been uh doing uh what I said I was gonna do and I and

Julian Fantino: How ya making out

Shawn Brant: Well it it's coming along ya know I to be honest with ya running back and forth and having the wife bring me the phone and and interrupting uh really isn't that helpful uh

Julian Fantino: Well

Shawn Brant: But uh we're we're doing our best here ya know

Julian Fantino: Shawn we got a lot of pressure here

20 Shawn Brant: Yeah well
21 (simultaneously talking)
22 Julian Fantino: (Unintelligible) tell ya what if ya if you pull this off in
23 the next little while I'll let ya take all the credit all
24 right
25 Shawn Brant: Well ya know I I to be honest with ya um ya know uh
26 we had an agreement the last time and uh and it was
27 an uh uh agreement on the tracks and there was an
28 agreement for immunity and and it was my
29 understanding
30 Julian Fantino: Well no no no
31 Shawn Brant: That uh that there was uh uh pressure from uh you and
32 and uh direction to to lay the charges against me
33 Julian Fantino: Oh no what
34 Shawn Brant: Um ya know I I mean so when when
35 Julian Fantino: Shawn there's no
36 Shawn Brant: We're talking about building a relationship and
37 building trust um
38 Julian Fantino: I've never given immunity in my life to anybody
39 Shawn Brant: Well certainly your officers did
40 Julian Fantino: Well but I can't speak to that right now Shawn we we
41 have another emergency here and and let's let's deal
42 with this one now uh when I said I'll let ya take the
43 credit you you can tell the media that you you decided
44 to pull the plug otherwise uh it it won't look that
45 pretty
46 Shawn Brant: Well you you're asking me to uh talk to people and
47 and convince them of uh of uh uh your word and your
48 integrity and and and to be honest with you ya know
49 uh people are throwing it right back in my face and
50 they're saying uh Shawn didn't you get fucked the last
51 time and and isn't this the uh uh is this the same uh
52 person who uh who ordered those charges and and ya
53 know it it it's not an easy go I mean there there's not a
54 lot of trust between us and and I'm not speaking
55 Julian Fantino: Well
56 Shawn Brant: Personally I'm I'm speaking to to the organization
57 and

58 Julian Fantino: Shawn your whole world's gonna come crashing
59 down on this issue and and uh you can't get away
60 with uh with holding uh tens of thousands of people
61 hostage and get away with it so ya know let let let's
62 not screw around any longer you gotta get on with this
63 because if you don't uh your credibility is gonna be
64 absolutely zero here you are speaking about the plight
65 of children and then you got children there helping
66 you in the blockade or whatever and women and all
67 that jazz so you're not gonna look so pretty when this
68 is all done Shawn

69 Shawn Brant: Well it

70 Julian Fantino: Why why don't why don't we just call it quits and you
71 you can't get anymore uh exposure than what you've
72 got you've put these issues across you've done a great
73 job of the sound bites and that I mean ya know you
74 you gotta you you you gotta believe that you're you're
75 day has come ya know enough now let's all go home
76 come on

77 Shawn Brant: Are ya gonna let me do my job

78 Julian Fantino: Yeah hurry up though uh

79 Shawn Brant: Okay

80 Julian Fantino: When are you gonna call me back

81 Shawn Brant: I'll call ya back as soon as I have some answers

82 Julian Fantino: Okay call Chris or yeah but that could be (inaudible)

83 Shawn Brant: Hey

84 Julian Fantino: Two o'clock this afternoon

85 Shawn Brant: Ya ya know I there's a there's a process that I gotta
86 work through and and uh and that's just the way that it
87 is and and

88 Julian Fantino: I I guess I have to tell ya that I have a process to work
89 through too and and (inaudible)

90 Shawn Brant: Oh and I understand that I understand that I I also
91 Julian Fantino: I'm trying to meet you halfway Shawn

92 Shawn Brant: I know and I'm doing the same

93 Julian Fantino: So can you give me a time

94 Shawn Brant: Well (inaudible) right now I'm doing the job and I
95 and I'm talking to you and uh and I'm not doing my

96 job because of that uh
97 Julian Fantino: Well
98 Shawn Brant: Ya know I I I'm
99 Julian Fantino: (Unintelligible)
100 Shawn Brant: I I'm a man who uh who keeps his word I I'm a man
101 who has honour and um and and uh I think people can
102 vouch for that and and uh if you wanna give me the
103 opportunity give me the opportunity if ya if ya want
104 me to play phone tag then uh then I'll do that but I I'm
105 not gonna do it any quicker if that's the case
106 Julian Fantino: Well I need I need to have some some kind of
107 timelines here because I I ya know we're all tired
108 Shawn
109 Shawn Brant: You trust me
