Re: Steve Moore

VIA FACSIMILE 613-233-7074

Dear Larry:

The Mighty Ducks of Anaheim would like to offer a contract to player Steve Moore for the next upcoming season, provided he can pass a strenuous physical. It has come to my attention that he has made steady progress physically over the last few weeks, and I would like to give him the opportunity to play. In my opinion, Steve had progressed to the level of a competent minor league forward who could fill in on occasion in the event of injury. I would like to give Steve a chance to continue that development into a full-time National Hockey League player.

Our offer (subject to passing an extensive physical) would be for one season at salaries of \$450,000.00 in the NHL and \$75,000.00 in the AHL.

I am not going public in any way with this offer. It represents a legitimate chance for Steve to resume his playing career. If Steve is not interested in playing in the Anaheim organization, you may simply decline in writing.

Please get back to me with your thoughts.

Thank you for your attention to this matter.

Yours truly,

MIGHTY DUCKS OF ANAHEIM

Dear Larry:

I am advised that the attorneys for Steve Moore have contacted my attorney in Colorado. I have not seen any of the correspondence, but I am told by my attorney that the correspondence questions whether or not the offer is a bona fide offer.

I assure you it is. I repeat that my offer of August 12, 2005 is indeed a bona fide offer, one which remains open for acceptance at this time (subject to a thorough physical examination).

Thank you for your attention to this matter.

Yours truly,

MIGHTY DUCKS OF ANAHEIM

Re: Steve Moore

VIA FACSIMILE 613-233-7074.

Dear Larry:

The Mighty Ducks of Anaheim would like to once again offer a contract to player Steve Moore.

Our offer (subject to passing an extensive physical) would be for the 2005/06 season at salaries of \$450,000.00 in the NHL and \$75,000.00 in the AHL (pro-rated to reflect the time already lost). If Steve wishes to play, I would start him in Portland of the AHL. He would need to clear waivers first. If he cleared, I might need to adjust my veteran total in Portland. As of today, this is not an issue.

As I said in my first offer dated August 12, 2006, I am not going public in any way with this offer. This offer presents Steve with a legitimate shot to resume his playing career. If he has received the green light to play, it's time for Steve to get back on the ice, if indeed that is what he wishes to do.

Please get back to me with your thoughts.

Thank you for your attention to this matter.

Yours truly,

MIGHTY DUCKS OF ANAHEIM
