WATER SAMPLE REPORT

This report summarizes the bacteriological data pertinent to water sample(s) collected for the dates shown. Recommendations have been made where appropriate. Complete laboratory reports are on file and are available upon request.

Sample Location	Date	Total Coliform	Fecal Coliform	Remarks
Administration Building	May 4/00	L 1	L 1	Satisfactory

L = less than EST = estimated count

OG = overgrowth (other non-coliform bacteria interfere with accurate measurements and resampling is normally requested)

If you have any questions please contact me at: (250) 470-5144.

Yours truly,

Grace Maciver, B.Sc., C.P.H.I.(C)
Environmental Health Officer
