3 UM: Okay sir, thank you. ... Mr. WELLWOOD, just watch your head while you

4 ...
5 KW: I think we're going-

6 CM: ... youth centre-

7 KW: What? What?

8 CM: I'm off to the youth centre.

9 KW: Really?

10 CM: Yeah.

11 KW: They said goin' back. I thought we were goin' to holding.

12 CM: Oh, man, that place is fuckin' gross. I thought I was gonna get a disease if
13 I touched anything.

14 KW: Dude, Steven SNOW (ph), marked my fuckin' cell again. Fuck. Wonder
15 what that kid did?

16 CM: Dunno. Apparently I'm gonna go to a youth centre, which I guess is better
17 than the correctional facility. I hope.

18 KW: Probably. If we're allowed any freedom, we'll be able to talk, I guess.

19 CM: Um, yeah, they have like, a basketball court if it's the one on the highway.

20 KW: I'm pretty sure it is. It's the only one I know of.

21 CM: ...

22 KW: That's what my lawyer said too.

23 CM: Yeah ... (Chuckles)

24 KW: O-or we're going to Vancouver.

25 CM: That's also what my lawyer said. (Chuckles)

26 KW: (Chuckles)

- 27 CM: Well, my lawyer's wife, or whatever she is-
- 28 KW: H-how is your proceeding going?
- 29 CM: I was in there for ten seconds.
- 30 KW: Oh, I was in there for a little bit longer.
- 31 CM: Basically, my lawyer just, my lawyer, my representative, 'cause my lawyer
- 32 wasn't here today-
- 33 KW: Yeah.
- 34 CM: -um, just wanted to ask me what my birthday was.
- 35 KW: (Sighs) I didn't have to say anything. They, they just sat me down and
- 36 uh, Michael said everything for me and uh, they said that we wanted to
- 37 push for a-
- 38 CM: Is Michael the one kinda balding, he's got curly hair?
- 39 KW: Yeah, yeah.
- 40 CM: Yeah.
- 41 KW: Well, not balding, just receding hairline, a bit.
- 42 CM: Yeah.
- 43 KW: But he looks very Jewish.
- 44 CM: ...
- 45 KW: What?
- 46 CM: I thought he was bald.
- 47 KW: No.
- 48 CM: Oh, I thought you said he was a bald Jewish guy with like, ...
- 49 KW: No, no, no. Uh, a, a funny Jewish guy.
- 50 CM: Oh. Well, I knew he was funny, but I thought he was bald, too.
- 51 KW: Nah. His wife is Polish. She's a lawyer too, only she works with um,
- 52 soliciting and stuff.

53 CM: I think the lady that I had today, the representative for Steve-

54 KW: Yeah.

55 CM: -I think that's his wife, too.

56 KW: What-what's with lawyers being with lawyers, eh?

57 CM: 'Cause they like their money.

58 KW: Um, (sighs) yeah, so they, I'm gonna go on video next uh, July 6th.

59 CM: Same.

60 KW: -and uh, yeah. Michael didn't really say anything they just said they're

61 gonna push for um, adult sentence. But-

62 CM: Yeah, I, they, I saw the guy up high-

63 KW: My-

64 CM: -from the thing, that they wanted to apply for adult.

65 KW: Michael's gonna make a counter appeal, and um, we're gonna be able to

66 make an appeal later on. But, he's not really even my lawyer yet. He's

67 just counsel. I need to talk to legal aid and get the um, him on a retainer,

68 so that they're paying him, basically.

69 CM: Yeah. Are you wearing a belt with like, two sets of holes in it?

70 KW: No, I'm not wearing anything. Like-

71 CM: I, no, I mean in your possession.

72 KW: Uh, yeah, yeah.

73 CM: Yeah, so that ...

74 KW: Um, I, I couldn't even put a tie on, 'cause they're like, y'know they're

75 waiting for you, right? And-

76 CM: Well, that's why they got me these shoelaces. They don't want-

77 KW: Who, whoever did they tie up, the, the back fuckin' like, y'know, loop on it,

78 was in the front. And the guy was like, it's upside down. I turn it around,

79 and then the back of the tie was showing. It's like, y'know what, just forget
80 it. So, all I got put on was a blazer, I didn't even have fuckin' pants on,
81 but- I mean, I was only in there for a couple of seconds, didn't really
82 matter, right?

83 CM: Same. I just walked in there, and like, the whole ... was ... and stuff and
84 like, uh, what? (Chuckles)

85 KW: I think this is like my grandfather's suit, or something. It's like a thirty-four
86 waist and a forty-five leg. My mom had to hem it a bit. I, I, I'm about a
87 thirty-two leg, and a thirty-one waist.

88 CM: I'm like a forty waist.

89 KW: These cuffs are a lot better than last time.

90 CM: Hmm?

91 KW: These cuffs are a lot better than our way here. They're not um-
92 CM: Oh, my, I accidentally tightened my leg one.

93 KW: Really?

94 CM: Yeah.

95 KW: Fuck.

96 CM: Um, I w-wasn't paying attention and then when I sat down, I accidentally
97 uh, bumped um, my left ankle?

98 KW: Yeah.

99 CM: And it just, you could hear it, click, click, click.

100 KW: (Laughs) Oh sh-

101 CM: Fuck. It's a pain in the ass walking in these things, too.

102 KW: Yeah, yeah. Goin' downstairs is easy, but going up. (Chuckles)

103 CM: Yeah, it's hard. Uh, I know I stepped um, like ...

- 109 KW: Was it you I was whistling at?
- 110 CM: What?
- 111 KW: Was I whistling at you?
- 112 CM: I could hear you.
- 113 KW: You weren't whistling back?
- 114 CM: No.
- 115 KW: That must've been a cop, then. (Laughs)
- 116 CM: Are you talking about holding here, or holding in the previous place?
- 117 KW: Um, well, here. But I was there, too. And I know-
- 118 CM: Oh hey, I thought that was that old guy with the beard, like Santa Claus in
- 119 CM: that-
- 120 KW: Yeah, yeah, um-
- 121 CM: I don't if you heard me when I was like, um, y'know, like the three dogs
- 122 CM: like, impression?
- 123 KW: What?
- 124 CM: I, I, there's like, three dawgs-
- 125 KW: (Laughs)
- 126 CM: -...
- 127 KW: Oh, man, I wish I'd heard that.
- 128 CM: I'm like, howdy children.
- 129 KW: (Chuckles)

 132 isn't the toothbrush guy, right? He, he's the blanket guy. And, y'know, the
 133 guy with the beard, right? And uh, I wanted to say, oh, I thought he was
 134 Santa. (Laughs) Old Kris KRINGLE. That guy's nice, though. The, most
 135 of those guards are nice.

136 CM: Oh dude, you know that lady?

137 KW: Yeah.

138 CM: The older one-

139 KW: Yeah.

140 CM: -we had last night. She was totally nice to me, and then yesterday she
 141 asked the investigator what we were in for. Total bitch.

142 KW: I know. I know. She was nice right off the bat, then, then she turned into
 143 a bitch. So, only uh, one cop.

144 CM: There's only one the first time.

145 KW: Oh, really?

146 CM: I, we just had the guy following us.

147 KW: Mm.

148 CM: Actually, he's the sheriff.

149 KW: Hey.

150 CM: Hey what?

151 KW: That, that car was just sittin' there, waitin' for us to come by.

152 CM: That's the other ...

153 KW: Yeah.

154 CM: The only problem with going to the juvie, dude we know people there.

155 KW: Do we?

156 CM: Well, I think THOMPSON's back in juvie.

160 me now, from y'know, other people. But-

161 CM: I don't know ... like that. I just ... really knew him before.

162 KW: He was actually a pretty stand up guy. I mean, he got in a lot of shit, and
163 hung out with a lot people, but um, y'know, he was nice, right? He, he'd
164 blaze me up, stuff like that.

165 CM: Hopefully we'll be able to have visitors.

166 KW: Yeah. It's kinda funny that I can't talk to Mary, but you can talk to Tabitha
167 and Athena.

168 CM: Yeah. Well, I guess they don't think Tabitha and Athena know anything.

169 KW: Well, they said Tabitha said she knew something. What?

170 CM: There was a bug.

171 KW: Was it?

172 CM: Yeah it was this ugly ant. ...

173 KW: Oh, dude, when I was in St. Vincent I was um, clearing out a bunch of
174 weeds and stuff, right? I found this little pupae, like that. I'm pretty sure it
175 was a caterpillar, right?

176 CM: Yeah.

177 KW: And at first, I thought it was dead, it wasn't moving, right? I was, y'know, I
178 just took it with me when I went to the bathroom, just 'cause I was gonna
179 check it out later. Y'know, if it wasn't moving and I was sure it was dead, it
180 was dead I was gonna, y'know, dissect or something. I, I finished using
181 the washroom, I look at it, the thing's like wrising (ph) around, right? It's

182 like, just squirming all over the place. I ended up um, putting it, looks like
183 a woman's hands almost.

184 CM: Um, it's the same bald guy on that side, and uh, can't, no, that person's
185 wearing glasses though, the driver.

186 KW: Huh. And uh, say, I, I put the little pupae somewhere, and I was gonna,
187 y'know, come back and check on it. But, I put, I put like, roses and stuff
188 over top of it, and-

189 CM: The little pupae?

190 KW: Dude, that thing was moving like crazy though, after I picked it up? But it,
191 it moved really jerkily. It was like uh-

192 CM: ... good for the ...

193 KW: We're probably gonna have to do a bunch of intake though, before we uh,
194 can do anything.

195 CM: Where?

196 KW: We're probably gonna have to do a bunch of intake procedures before we
197 can do anything.

198 CM: Yeah. I got it, I swear I can smell more ...

199 KW: Yeah, I can smell you, really. (Laughs)

200 CM: (Laughs) I can smell you, too.

201 KW: I don't know why they put us at opposite ones.

202 CM: This isn't my smell, I know my smell. This is you smell. Only get me here,
203 and like, smells like Brute.

204 KW: It smells really bad B.O. mixed with like, a teeny little bit of deodorant.

205 CM: ...

206 KW: Dude, y'know what? My, my fucking farts and my pits smell like that shitty
207 uh, holding food.

212 CM: What was it?

213 KW: Um, okay, y'know the bacon they had on the uh, burger?

214 CM: ...

215 KW: Well, it was like ham, basically. It's like really shitty uh, Canadian back
216 bacon, right? Um, or it was just a hotdog bun with the cheese sauce and
217 that bacon.

218 CM: Gross.

219 KW: Like, just as much bacon as they put on the ho-, um, on the, on the

221 CM: First day I had Tim Horton sandwich. Second day I had pizza ...

222 KW: Really?

223 CM: Yeah.

224 KW: Hey, that's bullshit, dude. I had the fuckin' same thing. I had fuckin' uh,
225 chocolate chip muffin, and then I had that shitty hot dog bun, and then I
226 had the burger.

227 CM: ... I had a fuckin', like, whole grain blueberry shit that makes me want to
228 throw up 'cause it was like, it's a mess.

229 KW: (Laughs) One, one of the guards thought I liked coffee. One of them
230 thought I like tea. And the, one with Santa beard thought I like hot
231 chocolate.

232 CM: I just got the shitty tasting coffee all the time.

- 233 KW: First day they asked me if I like, if I want coffee and I was like um, do you
- 234 have tea? And the tea was actually really good, so was the hot chocolate.
- 235 But the coffee was God awful.
- 236 CM: ...
- 237 KW: You, you should ask for something else.
- 238 CM: I didn't know they had ... all they ever offered me was coffee.
- 239 KW: That uh, bald dude was pretty nice, too.
- 240 CM: ...
- 241 KW: He reminds me of a Felix.
- 242 CM: ...
- 243 KW: Yeah, yeah. I wonder what like, hidden ace up her sleeve that uh, old
- 244 woman guard had that would, she's be able to, y'know, keep the peace in
- 245 a cell block like that. Although I guess you don't really need to do
- 246 anything, you just be a hard ass and yell at people through the walls.
- 247 CM: ...
- 248 KW: Oh, yeah, I, I know. It's listening to TV, but not actually being able to

- 255 CM: ...
- 256 KW: A little bit of computer time, too.
- 257 CM: Yeah, every time ... twenty-four hours.
- 258 KW: I think we can do school work, too.
