259 CM: Yeah. I, I think ... in there.

260 KW: Uh, that'll be nice, y'know. Do something.

261 CM: ...

262 KW: What?

263 CM: ... ask you something ...

264 KW: (Chuckles) Dude, there were um, you, you know when you like take uh,

265 toilet paper or a paper towel, and you like, glob it up into a ball with water,

266 and you toss it at the ceiling?

267 CM: ...

268 KW: Yeah. Dude, it's just like elementary. What?

269 CM: ...

270 KW: Oh yeah?

271 CM: ... see that, I have ...

272 KW: Those toilets are so loud, I have to cover my ears.

273 CM: Which?

274 KW: The toilets are so loud, I have to cover my ears.

275 CM: Uh, in the downtown one, or in-

276 KW: Both. These ones last longer though. I'm like, damn it, when's this one,

277 when's it gonna end?

278 CM: I've turned on the thing different time, and press it a couple of times, and it

279 doesn't work right away.

280 KW: Yeah.

281 CM: ... the other one.

282 KW: Yeah, I was trying to figure it out, and, the fuckin' hot water doesn't work

284 CM: No. So I, I, I was like, pressin' both of them, or just to get warm water.
285 And it's not shuttin' off, and like, what the fuck, how do I shut it off?
286 KW: (Laughs) Yeah, yeah, I was like, trying to press it again, but it just keeps
287 makin' it go more. I was using my um, my jeans and my socks as a pillow,
288 like, to sleep on. Um, and I was doing that 'til like, yesterday. And I, I'm
289 getting told that, y'know, if I take my clothes off, I have to give them to
290 them. I'm not allowed to-
291 CM: Yeah, I got ...
292 KW: Um-
293 CM: ...
294 KW: See, it was nice, because I could take of a I-, a layer of clothing and put
295 the blanket on, so when I take the blanket off, and I put my clothes on, I'm
296 at a good temperature, right? But no, I have to sleep in my clothing and
297 just be cold once I get up. You think this guy can hear us?
298 CM: What?
299 KW: You think the sheriff can hear us?
300 CM: ...
301 KW: I thought that was a, would be a speaker, though. They could talk to us.
302 CM: No, I think ...
303 KW: (Laughs) Oh.
304 CM: Yeah, ... that?
305 KW: I dunno, they're probably just speakers. Doesn't really matter anyways.
306 I'm sure if he could hear us, he would've said something by now.
307 CM: Maybe not.
308 KW: Yeah, pr-probably just doesn't care. Oh, we're taking a different route

312 CM: Huh?

313 KW: I wonder if I'll ever be able to get, give those bears to Mary? 'Cause um, I,

314 I said I was gonna buy some bears from St. Vincent de Paul, for my

315 girlfriend y'know. I, and I went on this big sob story to Carl about it, not

316 Carl URLACHER, Carl that works at St. Vincent, right? And y'know, he

317 just let me have two bears for free, right? Y'know, he's just, no, go ahead,

318 take them, you did a good job today. Things like that, right? Y'know, I

319 was all happy, I was gonna be able to y'know, surprise her with them on

321 day.

322 CM: You show up ...

323 KW: They seized my iPod and my phone, eh?

324 CM: Huh?

325 KW: They seized my iPod and my phone, eh? Like, 'cause it's a storage

326 device.

327 CM: They took my fuckin' shoes.

328 KW: Did your Mom buy those?

329 CM: Huh?

330 KW: Did your Mom buy those?

331 CM: The shoes?

338 KW: Where do you think they came from?
339 CM: I dunno. They probably guessed my shoe size and got me some shoes.
340 KW: (Laughs) I was lookin' at Michael's shoes, and I was like, hey, what shoe
341 size are you? And he was like, huge. (Laughs) He, he's twelve. He's not
342 a very tall man, so it's pretty big, y'know?
343 CM: ...
344 KW: You're about a twelve, eh?
345 CM: Oh man, I'm like fourteen.
346 KW: Fourteen?
347 CM: Yeah.
348 KW: Oh. You're also like, a good foot taller than him, though.
349 CM: (Chuckles) Yeah. I wonder if your mom's workin'?
350 KW: Probably, not. Actually no, probably not.
351 CM: I think both my parents uh, took quite a bit of time off.
352 KW: Yeah, well, it's Monday today, anyways.
353 CM: Oh, yeah.
354 KW: Y'know what they also showed me?
355 CM: ...
356 KW: They showed me your um, your conversation with Persephone.
357 CM: Pardon?
358 KW: Your conversation with Persephone.
359 CM: Mine?
360 KW: In December. And they're like, you know about this? You, you think your
361 friend's not gonna betray you if he already betrayed you here? You think

374 CM: I will find out. If I get my possessions back, then it'll be like, yeah, I got my

- 391 couple of weeks ago. And now, it's just sort of like, growing. And it's like
- 392 a big strip down it. I dunno what it is, I wanna get it checked out, but-
- 393 CM: Yeah, you might want to get that checked out.
- 394 KW: Well, it could just because I haven't been able to shower, right?

450 they can't even keep like, in the centre of the road.

451 CM: I haven't been on the ... long time.

452 KW: You've been where?

453 CM: Been on this road for a long time.

454 KW: Oh yeah, same. Do people start screaming at us as soon as we get

473 CM: Here we are.

474 KW: Interesting.

475 CM: Oh my God, we get to go outside.

476 KW: I was talking to the interrogator, and she used the word interesting. And

478 word. It's um, she used something else. And then later, she's talking
479 about, you-you know, your powers of manipulation are really outstanding.
480 I'm like, you, you're gonna stop yourself from using interesting to describe
481 that, but you're gonna use outstanding? That's like saying Hitler was
