Subject: Elections-support for Minister Ray Danyluk

Good morning everyone, anybody can vote how they want, however, in order to keep Ray in a ministry position, either Horner or Redford have to get in as Premier, therefore, on the next ballot we would have to vote for Horner as our #1 pick and Allison Redford as our #2 pick to show continuity, which means that if Horner comes in third then his second ballots #2 choice would be counted in with Allison Redford. It is also very important that we vote and that we have large voting numbers to show strength from our region. Voting age is 16 and over. There will be an open meeting in Ashmont-Agriplex this Sunday-Sept. 24 at 7:00 p.m. and we encourage anyone that is available to attend to come to the meeting. The voting dates are Advanced poles-Tuesday Sept. 27/11 from 9:00 a.m. to 7:00 p.m. at the Seniors Center behind the Catholic Church or Saturday Oct. 1/11 from 9:00 a.m. to 7:00 p.m. It is imperative for future funding that Ray remains in a powerful position.

In order to vote, you have to purchase a \$5.00 membership and you can purchase them at the polling station. Please pass the message to family and friends. Thanks, Ron
